Fall 2017

ADAMS TOWNSHIP COMMUNITY DAY

A bigger and better Community Day was planned for September 9, 2017 and indeed it was! The event was held from 1:00 PM to 9:00 PM on a sunny and brisk day at the Adams Township Community Park. Preceding the regular events was the Fueled by Fire 5K Race and Walk at 9:00 AM sponsored by Mars Bank. All proceeds benefited the Adams Area Fire District and the Callery Volunteer Fire Company. Sixty-one participants registered early that morning and crossed the finished line Awards and refreshments followed the end of the race in the Rotary Pavilion. The overall first place runner was Mike Baumgartel with a time of 19:09, next coming in second place was Cole Hurley with a time of 19:49, and coming in third place was Ray Reinheimer at 20:30. Aside from the overall winners, first, second, and third place awards were presented to participants in seven age groups. Refreshments were generously donated by Loafers Bread Co., Marburger Farm Dairy, Moe's Southwest Grill, and the Valencia Donut Co.

Haley Geyer, the new Parks & Recreation Director organized the 17th Annual Adams Township Community Day along with the township's Parks & Recreation Board. The event mostly remained the same as in years past, but some new and different features were added to the days schedule. Food trucks provided a variety of food this year and were an absolute hit! The many non-profit groups and small organizations that set up booths sold different food items, merchandise, and small trinkets. Community Day also offered a variety of complimentary activities that included, bounce houses, a petting zoo, pony rides, a rock climbing wall, cornhole, bingo, a watermelon eating contest, bubble soccer, and face painting. One of the main focuses for this year's event was perfecting the bands and entertainment. Dancing Queen kicked off the day as the opener, followed by The hEARd Matthews Band, and the headliner, North of Mason Dixon Band ended the night leading up to the firework show. One of the biggest changes was a different location for the firework show. Little Big Shots designed and conducted the first choreographed firework show for this year's event in a more centralized part of the park. The music and fireworks were a favorite of the crowd that gathered in the park and a perfect ending to a beautiful day!

A **big thank you** to the twenty-two sponsors that donated towards the fantastic firework show! Brennan Builders, Inc., CJ Betters Enterprises, Inc., Classic Automotive, Inc., FBC Chemical Corp., Geyer Construction & Development, Inc., Geyer Electric, Kaclik Builders, LLC., Kozminski Auto Body and Alignrite, Inc., Lectromat, Inc., Luciano's Italian Brick Oven, Macri Floral, Mars Animal Depot, Mars Lanes, Mars Super Market, Mary Emmett, McDonald-Aeberli Funeral Home, Inc., Office Things, Pfeifer Hardware, Inc., Purvis Brothers, Inc., Strutz International, Inc., Vogel Disposal Service, Inc., and W M Aiken and Son.

A **big shout out** and **thank you** to our Public Works Director, John Hock and the Road Crew for all the hard work involved in preparing for this day and making the park look impeccable. All emergency services, including Quality EMS, the Adams Township Police Department, and both Adams and Callery Fire Departments were involved and onsite the entire day, job well done! Cheers to the Parks & Recreation Board, the Parks & Recreation Director, and the Adams Township Staff on a successful event and for all of their help and support!
