## K-9 Program

The Adams Township Police Department is proud to announce the upcoming introduction of our first ever Police K9 and handler Jason Giallorenzo.

The Adams Township Police Department is asking for your assistance to help offset some of the expenses for the new K9 Unit. These contributions will be used for the purchase of the K9, training for both the Officer and K9, training supplies and gear, outfitting the patrol vehicle, medical aid, ballistic vest, and other expenses for the K9. We are anticipating the new K9 to be in service by the first week of August.

Donations can be sent to:

**The Adams Township Police Department  
690 Valencia Road  
Mars, PA 16046**

Checks can be made payable to Adams Township and please write in the memo section "Police K9 Program".

We would like to thank you in advance for your consideration and thank everyone who is able to donate. We look forward to getting our K9 out on the streets of Adams Township so that we may better protect our community and keep our Township safe.

Respectfully,  
Shawn T. Anglum  
Chief of Police

## Adams War Memorial Service

You are cordially invited to attend the Adams War Memorial Service on May 23, 2021 at 2:00 P.M. at the Adams Township Community Park.

If you have never attended these services, you will find they are heartfelt and patriotic. Our purpose in having this ceremony is to salute our Veterans. We want to remind everyone of all ages what our Veterans go through in order to give us Freedom.

Due to social distancing and the safety of others, there will not be a community picture after the service. Snacks and bottles of water that are pre-packaged will be handed out to attendees. Military, veterans, residents, families and friends are invited to honor our fallen soldiers.

For more information please contact Mary Jane Ford at 724-625-2341.

## ECS&R Event

Leftover household products such as paints, cleaners, oils, batteries and pesticides, that contain potentially hazardous ingredients require special care when you dispose of them.

Improper disposal of hazardous items can include pouring them down the drain, on the ground, into storm sewers or in some cases, putting them out with the trash. The improper disposal of these wastes can pollute the environment and pose a threat to human health. ECS&R provides homeowners with several options for the safe and economical disposal of household hazardous waste.

**Adams Township has scheduled a recycling collection event on June 5, 2021 in the main parking lot of the Municipal Building.**

This program is made possible by the Board of Butler County Commissioners and by grant funding from the Pennsylvania Department of Environmental Protection to help offset the costs of non-CDRA (Pa. Act 108) materials.

## Park Highlights

Movies in the Park are scheduled for this summer season on:

**July 16, 2021 featuring Frozen II**

**August 13, 2021 featuring Trolls World Tour**

## Coming soon !

Many projects are taking place in the Adams Township Community Park.

Our Public Works Department has been working on cutting new trails into the former West Property that is located on the south end of the park. This trail will also connect to the cul-de-sac located off of Taylor Ridge Lane and be our main connector to the new, acquired property, formally known as the Wygal Farm.

Four pickleball courts with lights and fencing will be added by late summer. This area will be located next to the T-Ball Fields and Parkford Drive.

A new pavilion with kitchen and restroom is planned to be located next to the Adams War Memorial this coming fall season.
